Springs--isn't that what the town is about? She needs her sisters. She does not need a man. Asher has always been the one to take care of the people in his life, so when sexy Paisley strolls in and takes the lead, he finds himself turned on by her independence and confidence in a way he has never been turned on before. But after suffering too many losses in life and with a plate already brimming with family members who need his care and protection, can he handle the truth behind her sudden appearance in Healing Springs? How is he supposed to allow himself to get close to her when he could
