InDesign CC: A Complete Course and Compendium of

Acces PDF Adobe Indesign

Features is your guide to building publications great or small in this ubiquitous page layout application. First, with a complete Course that includes a set of projects and lessons derived from the curriculum of award-winning and Adobe Certified Instructor Steve Laskevitch, you will learn the procedures needed to use InDesign

Acces PDF Adobe Indesign

professionally. Dozens of lessons are included that can be applied to any document you have in mind: engineering proposals, marketing collateral, spec sheets, magazines, newsletters, books, and more.

Through these step-by-step lessons, you'll be exposed to all of InDesign's features in practical contexts and its

Acces PDF Adobe Indesign

best practices for publishing workflows. To complete the Course, we'll supply lesson documents and their assets to download.

These can even serve as starting points for your own projects. Then, for greater depth of knowledge and subsequent reference, you'll use the Compendium to

Acces PDF Adobe Indesign

uncover more of the "how" and "why" of InDesign and publishing tech in general. With each topic easy to access, you can find and explore all of InDesign's key features and concepts in depth. With cross references between the Course and Compendium, the two parts of the book complement each other

Acces PDF Adobe Indesign

perfectly. Best of all, when the lessons in the Course are done, the Compendium will continue to serve for months and years to come. Learn step by step how to: - Create documents from postcards and posters to large books - Take control of typography and more with styles - Combine images with

Acces PDF Adobe Indesign

text for compelling layouts - Use color with predictable results - Prepare documents for both print and electronic output - And much more! "I've known Steve for over 20 years, and have always admired his empathy and passion for generously sharing his knowledge with others. He leverages his deep understanding of

Acces PDF Adobe Indesign

InDesign and takes the time to share what he hears from users to advocate on their behalf directly to the InDesign team to make the product better. This book will definitely help you become a more efficient InDesign user."
