A “groundbreaking” book billed as an “honest look” at the life and struggles of transgender teens has sparked outrage online over a disturbing description of “sex” with a six-year-old child. The book titled ‘Beyond Magenta’ has actually been on the shelves since 2014, but gained widespread attention after some disturbing passages were highlighted by the Binary Australia website, which describes itself as seeking to “challenge the aggressive agenda to de-gender” society.

~~‘Oral sex’ with SIX year old? Australian book about ...~~

Kuklin’s important new book brings welcome clarity to a subject that has often been obscure and gives faces—literally and metaphorically—to a segment of the teen population that has too long been invisible. Speaking with equal impact to both the reader’s heart and mind, Beyond Magenta is highly recommended. Grades 7-12.

~~Amazon.com: Beyond Magenta: Transgender Teens Speak Out ...~~

A groundbreaking work of LGBT literature takes an honest look at the life, love, and struggles of transgender teens. Author and photographer Susan Kuklin met and interviewed six transgender or gender-neutral young adults and used her considerable skills to represent them thoughtfully and respectfully before, during, and after their personal acknowledgment of gender preference.

~~Beyond Magenta: Transgender Teens Speak Out by Susan ...~~

The book, Beyond Magenta: Transgender Teens Speak Out, tells the story of six young adults and their journey to embracing transgenderism. An excerpt of the book, shared by Binary Australia, gives a shocking account of a six-year-old performing oral sex on the “guys in the neighbourhood” and enjoying it, without any mention of it being illegal or harmful.

contains explicit language, violent acts, and graphic descriptions of oral sex carried out by children as young as 6 years-old.

~~Beyond Magenta (Book) | Menlo Park Library | BiblioCommons~~

I really felt as though this book was missing a lot of crucial pieces to people wanting to understand the transgender teen experience or even for transgender teens to see others like them. Overall, I really was not impressed.
