Business Plan Kit For Dummies, Second Edition will allow you to create a blueprint for success! Note: CD-ROM/DVD and other supplementary materials are not included as part of eBook file.

From their beginnings, campuses emerged as hotbeds of traditions and folklore. American college students inhabit a culture with its own slang, stories, humor, beliefs, rituals, and pranks. Simon J. Bronner takes a long, engaging look at American campus life and how it is shaped by students and at the same time shapes the values of all who pass through it. The archetypes of absent-minded profs, fumbling jocks, and curve-setting dweebs are the stuff of legend and humor, along with the all-nighters, tailgating parties, and initiations that mark campus tradition—and student identities. Undergraduates in their hallowed halls embrace distinctive traditions because the experience of higher education precariously spans childhood and adulthood, parental and societal authority, home and corporation, play and work. Bronner traces historical changes in these traditions. The predominant context has shifted from what he calls the "old-time college," small in size and strong in its sense of community, to mass society's "mega-university," a behemoth that extends beyond any campus to multiple branches and offshoots throughout a state, region, and sometimes the globe. One might assume that the mega-university has dissolved collegiate traditions and displaced the old-time college, but Bronner finds the opposite. Student needs for social belonging in large universities and a fear of losing personal control have given rise to distinctive forms of lore and a striving for retaining the pastoral "campus feel" of the old-time college. The folkloric material students spout, and sprout, in response to these needs is varied but it is tied together by its invocation of tradition and social purpose. Beneath the veil of play, students work through tough issues of their age and environment. They use their lore to suggest ramifications, if not resolution, of these issues for themselves and for their institutions. In the process, campus traditions are keys to the development of American culture.

Does your marriage need a tune-up? Are the pressures of life pulling you apart? Have you gotten so busy with your lives that you have forgotten about your dreams? What you need is a little bit of faith and a great big change of perspective. What you need is a fresh word from God. Most of you believe Psalms 119:105, "Thy word is a lamp unto my feet and a light unto my path." But all too often, the reality is that we don't really understand God's will, and we don't know his plan for our marriage. If I have hit the nail on the head take courage, take hope, and take this book home with you. In it you will discover the pathway of God's Living Word. Pathway to Intimacy will teach you how to seek God's will for your marriage, how to find answers in God's Word, how to empower your relationship with renewed love, and how to intertwine God in your marriage. My God can change your perspective and empower you to change your circumstances. My God has a word for your marriage, and once you hear that word, you will never be the same again.

Thinking big in small business. With this essential volume, small business financial expert Ken Little guides small business owners through the strategies that can enhance long-term financial success. Features crucial information on working with investors, giving banks numbers that are meaningful to them, exploring new ideas for financing growth, and much more.
