Same-sex marriage is now legal in twenty-nine countries and the subject of continued debate around the world. The Political Economy of Same-Sex Marriage: A Feminist

*Page 49/69*

Download File PDF

Derecho

Critique considers this debate from a political economy perspective. Rather than engaging directly in the now well-rehearsed social-movement and academic for-and-against debates, this book focuses on processes of institutionalization of same-sex marriage and so-called "rainbow

Download File PDF

Derecho

families" within (neo)liberal capitalist democracies. It examines how states and markets appropriate same-sex marriage and family to enhance their own political and symbolic capital, consolidating power and profit within existing systems of gendered and raced socioeconomic stratification.

*Page 51/69*

Download File PDF

Derecho

Taking a radical feminist, heterodox, qualitative and intersectional approach, this book investigates the political economy of same-sex marriage across three axes: same-sex marriage as institution; same-sex marriage and the market; and the political economy of the "rainbow

Download File PDF

Derecho

family". The examination of case studies from different countries and regions enables a comparative analysis that foregrounds cultural, political and economic path dependencies while at the same time highlighting a number of striking commonalities. In all the countries

Download File PDF

Derecho

Discussed in this book and in most respects, same-sex marriage has been integrated almost seamlessly into a mainstream/malestream political economy of marriage and family and its translation into added market and productive value. The Political Economy of Same-Sex Marriage: A

Every year, the World Bank ' s World Development Report (WDR) features a topic of central importance to global development. The 2018 WDR—LEARNING to Realize Education ' s Promise—is the first ever devoted entirely to education.

Download File PDF

Derecho

And the time is right: education has long been critical to human welfare, but it is even more so in a time of rapid economic and social change. The best way to equip children and youth for the future is to make their learning the center of all efforts to promote education. The 2018 WDR

Download File PDF

## Derecho

explores four main themes: First, education 's promise: education is a powerful instrument for eradicating poverty and promoting shared prosperity, but fulfilling its potential requires better policies—both within and outside the education system. Second, the need to shine a light on

Download File PDF

Derecho

Learning: despite gains in access to education, recent learning assessments reveal that many young people around the world, especially those who are poor or marginalized, are leaving school unequipped with even the foundational skills they need for life. At the same time,

Download File PDF

Derecho

Internationally comparable learning assessments show that skills in many middle-income countries lag far behind what those countries aspire to. And too often these shortcomings are hidden—so as a first step to tackling this learning crisis, it is essential to shine a light on it by

Download File PDF

Derecho

Assessing student learning better.

Third, how to make schools work for all learners: research on areas such as brain science, pedagogical innovations, and school management has identified interventions that promote learning by ensuring that learners are prepared, teachers are

Download File PDF

Derecho

both skilled and motivated, and other inputs support the teacher-learner relationship. Fourth, how to make systems work for learning: achieving learning throughout an education system requires more than just scaling up effective interventions. Countries must also overcome

Download File PDF

Derecho

Technical and political barriers by  
deploying salient metrics for  
mobilizing actors and tracking  
progress, building coalitions for  
learning, and taking an adaptive  
approach to reform.
