1186 Words | 5 Pages. Fairy tales are something that everyone has read or seen, they all seem to have important lessons at the end of each one to teach young children some of the lessons they need for life. These fairy tales when we were younger all seemed innocent and something we all hoped that would happen to us.

Essay on Fairy Tales | Bartleby

A fairy tale is a story written for children (although most original versions are darker than modern tales and were originally written for adults) and characterized by magical creatures such as talking animals, witches, princesses, and giants.
