This is a transcription for four guitars of Johannes Pachelbel's Canon in D major, originally written for three violins and basso continuo.This edition is designed for concert performance as well as for classroom instruction. The score is presented with amply notated guitar fingerings for each of the four parts. Also included are separate parts for each of the guitars.Pachelbel's Canon utilizes the form of a three part canon and an accompanying ground bass. The term "canon" refers to a contrapuntal device in which several voices play the same melodic line, entering one by one in sequence. In Pachelbel's piece, there are three voices playing in canonic imitation, above a repeating fourth voice, the basso continuo, which plays an repeating bass line melody.

An intermediate Marimba solo by Johan Pachelbel and arranged by Nicholas Papador.

The Thematic Catalogue of the Musical Works of Johana Pachelbel provides scholars and performers with a survey of the breadth and variety of the repertoire of the composer described by Christoph Wolff as "one of the most seminal and influential musicians of the pre-Bach generation in Germany." Pachelbel composed the majority of his 527 works for keyboard instruments, as well as choral, vocal, and chamber music, and this Thematic Catalogue presents incipits for those that can be identified. The list of works is intended to determine the totality of the corpus and knowledge about it, establish the best means of identifying each work, and settle problems of identity among similarly titled works. An essay on authorities examines the controversies over the authenticity of Pachelbel's manuscripts. Meticulously compiled with copious notes and comments, this unique volume will be invaluable to those already familiar with Pachelbel's compositions and will create new interest among those who were aware only of the universally loved canon movement of his Canon and Gigue in D.

The Essential Baroque Collection is a sumptuous selection of the very best Keyboard music of the Baroque era by composers ranging from Henry Purcell to J.S. Bach and beyond, all presented in one superb volume for intermediate-level solo Piano. The music of the Baroque is characterised by innovation and invention; a melting pot of styles reaching back to the complex polyphony of the Renaissance, while simultaneously pushing forwards towards the diatonic elegance of the later Classical era, it is no surprise that such masterpieces as Pachelbel's Canon In D and Handel's Zadok The Priest are as popular today as ever. Every piece in this anthology is rich in heritage, and familiar to the ears of music lovers the world over. Take this opportunity to transform your repertoire - the music has been expertly adapted to appeal to the intermediate soloist whilst retaining all the beauty and character of the original works. There's simply no better way to discover the music of the masters. Songlist: - Air On The G String [J.S. Bach] - Arioso [Scarlatti] - The Arrival Of The Queen Of Sheba [Handel] - Autumn (1st Movement) (From The Four Seasons) [Vivaldi] - Badinerie [J.S. Grade 1 Like Pachelbels original, this open string and first-finger masterpiece, written in D major, builds in intensity and rhythmic interest throughout. All four strings are used, and technique is very elementary with no slurs and nothing more rhythmically complex than quarters and eighths. Violas are responsible for supplying C sharps with low 1s on the C string (prominently marked in their part).

(Educational Piano Library). Spike, Party Cat and friends guide the student through fun and creative assignments that introduce the language of music and its symbols for sound, silence, and rhythm. Ear training and basic theory exercises help students learn to write and play the music they are learning as well as the music they create themselves. Correlates to Piano Lessons Book 1.

Advancing violinists will be thrilled at this series of violin parts from the orchestral masterworks. Great for audition preparation or just to become familiar with the repertoire. Works include: \* The Four Seasons (Vivaldi) \* Cello Concerto in C Major (Haydn) \* Requiem (Mozart) \* The Planets (Holst) \* The Carnival of the Animals (Saint-Saëns) \* The Three-Cornered Hat (de Falla) \* The Holberg Suite (Grieg) Kalmus Editions are primarily reprints of Urtext Editions, reasonably priced and readily available. They are a must for students, teachers, and performers.

The Eurovision Song Contest is famous for its camp spectacles and political intrigues, but what about its actual music? With more than 1,500 songs in over 50 languages and a wide range of musical styles since it began in 1956, Eurovision features the most musically and linguistically diverse song repertoire in history. Listening closely to its classic fan favorites but also to songs that scored low because they were too different or too far ahead of their time, this book delves into the musical tastes and cultural values the contest engages through its international reach and popular appeal. Chapters discuss the iconic fanfare that introduces the broadcast, the supposed formulas for composing successful contest entries, how composers balance aspects of sameness and difference in their songs, and the tension between national genres of European popular music and musical trends beyond the nation's borders, especially the American influences on a show that is supposed to celebrate an idealized pan-European identity. The book also explores how audiences interact with the contest through musicking experiences that bring people together to celebrate its sounds and spectacles. What can seem like a silly song-and-dance show offers valuable insights into the bonds between popular music and cosmopolitan values for its many followers around the world. From dance parties to flashmobs, parodies to plagiarisms, and orchestras to artificial intelligence, Another Song for Europe will be of particular interest to Eurovision fans, critics, and scholars of popular music, popular culture, ethnomusicology, and European studies.

Grade 1 Like Pachelbel's original, this open string and first-finger masterpiece, written in D major, builds in intensity and rhythmic interest throughout. All four strings are used, and technique is very elementary with no slurs and nothing more rhythmically complex than quarters and eighths.
