Akker.

Koos Couture
Collage: Inspiration &
Techniques
I wish that there had

Acces PDF Koos Couture

been more photos of Koos work! The author gives very good instruction for doing applique, making bindings etc. However, in all, the book is disappointing if one is looking for inspiration and examples of the magical fabric combinations that made Koos's

Acces PDF Koos Couture

trademark. Far too few
examples of Koos's
couture collage.
