(PDF) Language, Culture and Communication

CULTURE AND COMMUNICATION The term "culture" refers to the complex collection of knowledge, folklore, language, rules, rituals, habits, lifestyles, attitudes, beliefs, and customs that link and give a common identity to a particular group of people at a specific point in time. All social units develop a culture.

Culture and Communication | Encyclopedia.com

Language and culture. It has been seen that language is much more than the external expression and communication of internal thoughts formulated independently of their verbalization. In demonstrating the inadequacy and inappropriateness of such a view of language, attention has already been drawn to the ways in which one's native language is intimately and in all sorts of details related to the rest of one's life in a community and to smaller groups within that community.

Language - Language and culture | Britannica

MA Language, Culture and Communication - Alice More Are you interested in understanding and critiquing the ways in which language is used in politics, the media, and intercultural communication? In today's 'globalised' world, it is increasingly necessary to communicate across cultural boundaries of language, style and values.
