In this respect, it is important to have a service manual which allows you to detect and identify faults with your own Saab. Once identified you may be able to repair the fault yourself or you may need to take it to the mechanic` but one way or the other it will save you money that you would have had to spend if the fault had worsened.

This downloadable repair manual software covers the Saab 9-3 and is perfect for any do-it-yourselfer. In the dark old days of auto repair, you had to buy a traditional service manual in book format which would retail at a higher cost. Getting the same information in digital format is so much less expensive and more convenient!
