In honor of the ten-year anniversary of The Heroin Diaries, Nikki Sixx's definitive and bestselling memoir on drug addiction is reissued with exclusive new content. This shocking, gripping, and at times darkly hilarious memoir explores Nikki's yearlong war with a vicious heroin addiction. Now more than ever, with opioid addiction ravaging our country and rising by twenty percent in the past year alone, Nikki's story of both his descent into drug-addled decay and subsequent recovery and transition into a rehabilitation advocate are now more relevant than ever. When Mötley Crüe was at the height of its fame, there wasn't any drug Nikki Sixx wouldn't do. He spent days—sometimes alone, sometimes with other addicts, friends, and lovers—in a coke- and heroin-fueled daze. The highs were high, and Nikki's journal entries reveal some euphoria and joy. But the lows were lower, often ending with Nikki in his closet, surrounded by drug paraphernalia and wrapped in paranoid delusions. Here, Nikki shares the diary entries—some poetic, some scatterbrained, some bizarre—of those dark times. Joining him are Tommy Lee, Vince Neil, Mick Mars, Slash, Rick Nielsen, Bob Rock, and a host of ex-managers, ex-lovers, and more. Brutally honest, utterly riveting, and surprisingly moving, The Heroin Diaries follows Nikki during the year he plunged to rock bottom—and his courageous decision to pick himself up and start living again.

Brutally honest, utterly riveting, and surprisingly moving, The Heroin Diaries follows Nikki during the year he plunged to rock bottom—and his courageous decision to pick himself up and start living again.

Set against the frenzied world of heavy metal superstardom, the co-founder of legendary Motley Crue offers an unflinching and gripping look at his own descent into drug addiction. When Motley Crue were at the height of their fame, there wasn't a drug Nikki Sixx wouldn't do. He spent days - sometimes alone, sometimes with others addicts, friends and lovers - in a coke- and heroin-fueled daze. THE HEROIN DIARIES reveals Nikki's personal diary entries alongside commentary from the people who know Nikki best including band mates Tommy, Vince and Mick. The book is a candid look at a nightmare come true: a punishing heroin addiction that brought Nikki to the edge of losing his talent, his career, his family and finally to a near-fatal overdose which left him clinically dead for a few minutes before being revived. Brutally honest, utterly riveting and shockingly moving, THE HEROIN DIARIES follows Nikki during the year he plunged to rock bottom and his courageous decision to pick himself up and start living again.

This Is Gonna Hurt is music, photography, and life through the distorted lens of Nikki Sixx, bassist for heavy metal rock band Mötley Crüe's and the New York Times bestselling author of The Heroin Diaries. A combination of powerful prose and dramatic photographs, This Is Gonna Hurt is an arresting, deeply personal look through the eyes of a real rock star at a stark, post-addiction world.

I am Tommy Lee, born Thomas Lee Bass in Athens, Greece, on October 3, 1962, and raised in a suburb of California by an American father and a Greek mother. At seventeen, I joined Mötley Crüe and we became one of the baddest-ass rock bands in history. We sold over 40 million albums, we wreaked havoc, we scared parents, and we titillated too many fathers' daughters. I've been married three times: once for just a few days to a Penthouse Pet, for seven years to Heather Locklear, and then for five years to Pamela Anderson, with whom I have two beautiful sons. I've gotten into a lot of fights and I've been to jail a few times. But this book isn't your typical journey in a straight line from day one to day now. I'm more interested in revealing what's most important about my life, like how I cook my steaks; what I think of the tabloids, the truth, my ex-wives, my ex-band, my music; and what an innocent observer might find hanging around my house any given Sunday. You'll get plenty of facts and I'll tell you a story, but my real mission here is to paint you a picture of my life. I want to show you how my memories smell. I'd like to get into it now, so please take your seats. I advise you to keep your arms and legs inside the car at all times. If you have a pacemaker, a heart condition, or if you are pregnant or too damn short to reach the safety bar, I ask that you turn back immediately. Those with weak stomachs, strict morals, or chronic indigestion should put the book down now. For the rest of you, there's one truth that's real across the board: What you send out is what you get back. Send out the good, people, and it will come back to you. There's another thing I've learned over the years, in court, in fights, and in arguments with people I love: There isn't one truth, there are many. This book is my truth. NOTE: THE EBOOK DOES NOT INCLUDE PHOTOGRAPHS THAT APPEAR IN THE PRINT EDITIONS.

Mötley Crüe's gleeful glam debauchery and unstoppable anthems have made them metal gods, selling over 72 million album copies worldwide and landing their band biography The Dirt on bestseller lists around the country. Mötley Crüe is—amazingly—the first photographic history of the band. Legendary rock photographer Neil Zlozower's images capture the band's rise from their breakthrough album Shout at the Devil through rock 'n' roll excesses to follow with the unprecedented all-access candor of a friend to the band. In hundreds of photographs and stories from the band and those close to them, Mötley Crüe reveals them onstage, backstage, on tour, hanging out, and in studio—a must-have album of photos and testimony on one of the most powerful and controversial bands in rock history.

Time Magazine quipped at the start of the Millennium in their gossip section that the Backstreet Boys might be transforming into the Millennium's new Motley Crue now that 'Nikki Sixx has mellowed up...' Following an almost 3-decade education in rebellion as Hard Rock's mad musical scientist- highlighted by a now-infamous (and temporarily lethal) heroin overdose; relationships with some of Hollywood's most luscious leading ladies, including Vanity, Playboy Playmate Brandi Brandt, Baywatch Star Donna D'Errico, and L.A. Ink star Kat Von D; and an almost 30-year, multi-platinum run (selling over 80 million albums worldwide) as the creative center of hard rock's most decadent and notorious rock band, Motley Crue, Nikki Sixx legacy among rock and metal fans worldwide is secure. Chronicled via Sixx's own diary entries, as well as through exclusive interviews with many of those closest to Sixx, including Motley Crue drummer Tommy Lee, former live-in girlfriend (and multi-platinum rock artist) Lita Ford, legendary hard rock producers Bob Rock, Tom Werman, and Scott Humphrey, co-founding member of London Lizzie Grey, legendary rock photographer Neil Zlozower, Sixx A.M. band member and Sixx songwriting/producing partner James Michael, late recovery specialist to the stars Bob Timmons (who aided Sixx through his substance abuse recovery), SR collaborator Dave Darling, former Motley Crue/brides of Destruction bandmate John Corabi, and late Quiet Riot frontman Kevin Dubrow (recounting Sixx's pre-Crue audition for Randy Rhodes-era Quiet Riot), among many others. Updated from its original 2003 publication through the summer of 2009, and including a free bonus sampler featuring unsigned/up and coming Millennium rock/metal bands influenced by Sixx's songwriting, 'An Education in Rebellion: The Biography of Nikki Sixx' promises to paint for its readers both a vividly intimate and wildly colorful portrait of the life and times of one of Hard Rock's most important and influential icons!

What is a junkbox? A person who is just so all consumed by addiction and drugs that they do not care about what goes into their body. They don't shower, barely eat, and only sleep as a result of a high heroin dose. Herb Stepherson has been involved in the fight of his life for 14 years. Today, he celebrates life as an intervention coordinator!

NOW A NETFLIX ORIGINAL MOVIE STARRING MACHINE GUN KELLY, DANIEL WEBBER, DOUGLAS BOUTH, AND IMAN RHEON, DIRECTED BY JEFF TREMAINE. Celebrate thirty years of the world's most notorious rock band with the deluxe collectors' edition of The Dirt—the outrageous, legendary, no-holds-barred autobiography of Mötley Crüe. Fans have gotten glimpses into the band's crazy world of backstage scandals, celebrity love affairs, rollercoaster drug addictions, and immortal music in Mötley Crüe books like Tommyland and The Heroin Diaries, but now the full spectrum of sin and success by Tommy Lee, Nikki Sixx, Vince Neil, and Mick Mars is an open book in The Dirt. Even fans already familiar with earlier editions of the bestselling exposé will treasure this gorgeous deluxe edition. Joe Levy at Rolling Stone calls The Dirt "without a doubt . . . the most detailed account of the awesome pleasures and perils of rock & roll stardom I have ever read. It is completely compelling and utterly revolting."

In this "vivid and inspiring" NYT bestseller (Newsweek), the Red Hot Chili Peppers' lead singer and songwriter shares a searingly honest account of life in the rock scene's fast lane -- from the darkness into the light. In 1983, four self-described "knuckleheads" burst out of the mosh-pitted mosaic of the neo-punk rock scene in L.A. with their own unique brand of cosmic hardcore mayhem funk. Over twenty years later, the Red Hot Chili Peppers, against all odds, have become one of the most successful bands in the world. Though the band has gone through many incarnations, Anthony Kiedis, the group's lyricist and dynamic lead singer, has been there for the whole roller-coaster ride. In Scar Tissue, Kiedis delivers a compelling life story from a man "in love with everything" -- the darkness, the death, the disease. Even his descent into drug addiction was a part of that journey, another element transformed into art. Whether he's honoring the influence of the beautiful, strong women who have been his muses or remembering the roaring crowds of Woodstock and the Dalai Lama's humble compound, Kiedis shares a compelling story about the price of success and excess. Scar Tissue is a story of dedication and debauchery, of intrigue and integrity, of recklessness and redemption -- a story that could only have come out of the world of rock.
