Discover how understanding God's purpose and design can empower you to be the mother you long to be. No calling is greater, nobler, or more fulfilling than that motherhood. Every day, as we nurture our children, mothers influence eternal destiny as no one else can. Tragically, today's culture minimizes the vital importance of a mother's role. Because Motherhood Isn't Just a Job. It's a Calling. A mother's day is packed with a multitude of tasks that require energy and time: preparing meals, washing clothes, straightening and cleaning the house, and caring for children. These jobs all are necessary and crucially important. But in the dailyness of providing for a child's physical, emotional, and social needs, vital opportunities for spiritual nurture and training can be overlooked. This doesn't have to be the case. You can focus your energy on what matters most. Learn how you can:

- Make Life's Mundane and Nitty-Gritty Moments Work for You and Not Against You.
- Discover Ways to Make Character-Building a Natural Part of Live.
- Teach Your Child in the Same Way Jesus Taught the Disciples.
- Pass on Crucial Gifts that Will Serve Your Family for a Lifetime.

Using biblical wisdom and practical teachings, Sally Clarkson shows how you can make a lasting difference in your child's life by following the pattern Christ set with his own disciples—a model that will inspire and equip you to intentionally embrace the rewarding, desperately needed, and immeasurably valuable Ministry of Motherhood.

Desperate is for those who love their children to the depths of their souls but who have also curled up under their covers, fighting back tears, and begging God for help. It's for those who have ever wondered what happened to all their ideals for what having children would be like. For those who have ever felt like all the "experts" have clearly never had a child like theirs. For those who have prayed for a mentor. For those who ever felt lost and alone in motherhood. In *Desperate* you will find the story of one young mother's honest account of the desperate feelings experienced in motherhood and one experienced mentor's realistic and gentle exhortations that were forged in the trenches of raising her own four children. Also in *Desperate*: QR codes and links at the end of each chapter that lead to videos with Sarah Mae and Sally talking about the chapter Practical steps to take during the desperate times Bible study and journal exercises in each chapter that will lead you to identify ways in which you can grow as a mom Mentoring advice for real-life situations Q & A section with Sally where she answers readers questions

How are parents to raise children so they don't become Pharisees (legalists) or prodigals (rebels)? It's all about grace-filled, gospel-driven parenting, says the mother/daughter team of Elyse Fitzpatrick and Jessica Thompson. Christian parents, in their desire to raise godly children, can drift toward rule-centered discipline. There is, however, a far more effective method—a grace-motivated approach that begins with the glorious truth of God's love for sinners. In *Give Them Grace*, parents will learn how to connect the benefits of the cross—especially regeneration, adoption, and justification—to their children's daily lives. Chapters address topics such as our inability to follow the law perfectly, God's forgiveness and love displayed at the cross, and what true heart obedience looks like. Fitzpatrick and Thompson also discuss discipline, dealing with popular culture, and evangelism as a way of life. Parents will find this book a great resource for raising grace-filled, Jesus-loving kids.

In a world that's moving so fast, it's easy to lose your sense of purpose. Clarkson journeys with you to explore what it means to live meaningfully, follow God truly, and bring much-needed order to your chaos. Discover what it means to own your life, and dare to trust God's hands as He richly shapes your character, family, work, and soul.

You can make a difference in mothers' lives. We live in a rapidly secularizing culture that is losing its heart for biblical motherhood. For over two decades, Sally Clarkson has called mothers back to God's design, driven by her passion to restore moms' hearts to God's heart for motherhood. Taking Motherhood to Hearts will give you a picture for how to join her by starting, leading, and tending your own Mom Heart small group. In this book you will find inspirational "why to" vision, practical "how to" advice, and motivational "can do" encouragement. Motherhood is more than just a biblical duty; it is a ministry of discipleship. This book will show you how to have a meaningful ministry to moms that will make a difference for eternity.
