as dermatology, ophthalmology, plastic surgery, and urology, over 30% of U.S. senior applicants failed to match at all. The numbers are significantly worse for osteopathic and international medical graduates. In fact, in the 2008 Match, over 5,000 international medical graduates failed to match. Regardless of your chosen specialty, the key to a successful match hinges on the development of a well thought out strategy. This book will show you how to develop the optimal strategy for success. Learn how you can upgrade your credentials, write high-impact personal statements, solicit strong letters of recommendation, shine during interviews, and much more. This book is an invaluable resource to help you gain that extra edge. Featuring discussion of these issues and more, this book will provide you with specific, concrete recommendations that will maximize your chances of achieving the ultimate goal: that of a successful match.

The book begins as a how-to guide with clerkship-specific templates, along with sample notes and guides, for every aspect of clerkships. The book reviews proven strategies for success in patient care, write-ups, rounds, and other vital areas. Grades in required rotations are the most important academic criteria used to select residents, and this critical year can determine career choices.

The purpose of FIRST AID FOR THE MATCH is to help medical students effectively and efficiently navigate the often complex residency application process. It is designed to help students make the most of their limited time, money, and energy. In the spirit of FIRST AID FOR THE USMLE STEP 1, this book is a student-to-student guide that draws on the advice and experiences of medical students who have successfully gone through the Match and are now training in the programs of their choice.

What does it take to match into the subspecialty and fellowship program of your choice? Our detailed advice, based on evidence from research in the field and the perspectives of fellowship program directors, will provide you with the insiders' perspective. What are criteria most important to decision-makers? What can you do to have the best possible letters of recommendation written on your behalf? How can you develop a powerful and compelling personal statement? How can you overcome the obstacles of residency to publish research? What can you do to achieve maximum success during the interview? This book shows fellowship applicants how to develop the optimal strategy for success - an invaluable resource to help applicants gain that extra edge.

"Coyle spent three years researching the question of what makes a successful group tick, visiting some of the world's most productive groups--including Pixar, Navy SEALs, Zappos, IDEO, and the San Antonio Spurs. Coyle discovered that high-performing groups ... generate three

THE RESIDENCY INTERVIEW. These words make every applicant nervous. This MedEdits guide provides applicants with insight about the residency interview process as well as a general framework to dramatically improve their confidence on interview day. This book is based on Dr. Jessica Freedman's experience in residency admissions while on faculty at the Mount Sinai School of Medicine in New York City and her observations while privately advising residency applicants with MedEdits (www.MedEdits.com). Get practical advice on: 1) How to prepare for your interview 2) What to expect on interview day 3) The different types of interviewers 4) What information you must convey during your interview 5) How to structure your answers and direct your interview 6) What to wear, how to behave on tours, lunches, "night before" gatherings and many other topics
